EXPERIENCE

2018

DE BELLEZZA- ONLINE STORE (WEB DEVELOPER & ILLUSTRATOR)

Working on design, development and hosting a full website from scratch for an online shopping business. Iterated with the client and designed a logo for their business using adobe illustrator.

2017

MOUNTAIN VIEW PARETNS NURSERY SCHOOL (WEB ADMIN)

Performed design, layout changes and updates based on the client's needs using Wild Orchid program.

PRIMARY IO (WEB DEVELOPER)

Designed, coded and delivered a landing page for PrimaryIO, a cloud based company. Used Bootstrap tools and Wordpress for design. Participated in team meetings to understand customer requirements and iterated designs.

WIT DEALS APP (INTERACTION DESIGNER)

Created a prototype for an iphone app by following user interface development flow using Figma.

EDUCATION

Front- end web development nano degree- Udacity, 2016

User interface design specialization - Coursera, 2016

Bachelors in computer science, SFR College, India 2009
